Item 98 List 202

The ACIC copy of this map would not reproduce. The AMS copy was reproduced. The flimsy thermo paper did not permit the removal of ownership. The map itself, 108453, was in the D/GI collection without the translation. This map has also been reproduced.

In addition, three other maps on Mukden, 11274 (with supplement),
739
105731 (with supplement) and 112760
, were reproduced and are forwarded
as being of possible use to the Post.
